WE MUST WORK TOGETHER TO MAKE RE-EMERGE, AS PART OF EVERYBODY’S SENSITIVITIES, PAST HARMONIES AND SYNERGIES, SO AS TO BE ABLE TO MAKE OUR COUNTRIES ADVANCE – TOGETHER – BY BRIDGING THE BLATANT INEQUALITIES THAT FAVOUR TOO MANY CRISIS AND THAT AFFLICT US. THIS ALSO REQUIRES A COMMON GOAL OF SHARED GROWTH AND PROSPERITY.

ISPI (ITALIAN INSTITUTE FOR INTERNATIONAL POLITICAL STUDIES) is an independent think tank founded in 1934 and dedicated to being a resource for government officials, business executives, journalists and civil servants wishing to better understand international issues. The focus is both on world regions, in particular the Mediterranean Region, and global issues.

ISPI is Italy's main forum for debate on international affairs, and it promotes international conferences with outstanding personalities from all over the world, which include annual conferences on the Mediterranean region (or other countries/regions like China and Sub-Saharan Africa); bilateral dialogue Forums with France, Germany, Switzerland and Russia; seminars on migration, terrorism, European economic governance, etc.

In over 80 years, ISPI has built an extensive network of think tanks in Europe and across the world and since 2014 it is the think tank representing Italy in the Think20 (T20), an advisory body of the G20.
