I GRANDI ASSI DEL CAMBIAMENTO: UNO SGUARDO AL MONDO

Paolo Magri,
Vice-presidente esecutivo e direttore ISPI

Il mondo nel 2018. Opportunità e rischi per le imprese italiane
Assolombarda, Milano, 18 gennaio 2018

«The world at the beginning of 2018 presents a contrast between its depressing politics and its improving economics. Might this divergence continue indefinitely? Or is one likely to overwhelm the other? And, if so, will bad politics spoil the economy, or a good economy heal bad politics?»

Martin Wolf, FT, 10.01.18
